DIECKMANN'S GUARANTEE

Our guarantee is backed by Dieckmann's 50 year policy of providing complete satisfaction to Ohio Valley gardeners.

We guarantee each bulb, rose, flowering shrub, hedge plant, and fruit tree we sell to be of the highest quality, and will replace it free-of-charge if it does not grow during the first growing season after planting, providing, of course, that it has been properly planted and given reasonable care. Evergreen shade and ornamental trees will be replaced at one-half cost.

In order to be effective, replacement claims must be made before July 15 on plants or bulbs purchased the preceding fall or spring. Replacement does not include planting labor.
